KOMTRAX

Komatsu excavators provide increased horsepower, improved operator comfort and reduced fuel consumption. The excavator experts from Komatsu have designed machines to help you complete jobs more quickly, while lowering your fuel and maintenance costs.

- Efficient Komatsu engines and advanced hydraulic systems maximize productivity while providing up to 10% lower fuel consumption.
- Enhanced operator environment improves comfort and machine control.
- KOMTRAX wireless equipment monitoring helps manage assets more effectively and efficiently.
- Komatsu CARE provides complimentary maintenance at regular servicing intervals for compliant Tier 4 Interim equipment.
